

**REVISED ELECTION NOTICE DATED 14.01.2022 FOR SCBA MEMBERS
GENDER SENSITIZATION INTERNAL COMPLAINT COMMITTEE (GSICC)**

The GSICC election for electing SCBA representatives is presently scheduled to be held on 19.01.2022. In view of change in circumstances due to increase in trend of pandemic and also due to the Supreme Court closed for physical hearing, it is not possible to hold election by physical mode.

The Committee has requested SCBA to make arrangements for holding the election virtually so as to enable the election to be held in a most democratic and smooth manner. SCBA is taking steps to ensure the same and hence the elections will be held virtually on a future date which will be announced once preparations are complete.

In modification of the election notice dated 14.12.2021 and 23.12.2021, the polling will be held by virtual mode and not by physical mode. The date of election i.e 19.01.2022 is cancelled and fresh polling date to hold election by virtual mode would be intimated soon after making the necessary arrangements.

The election notices dated 14.12.2001 and 23.12.2021 are modified to aforesaid extent only and other terms of notice dated 14.12.2021 shall remain the same.
