Reply to circular no. SCBA/EC. SCBA.2024-25 Dt. 22.06.2024

Respected sir,

I am not aware of the contacts regarding Hon'ble Supreme Court has invite suggestions regarding the subject matter.

However, I feel summarily Supreme Court should reject the petition.

It can be heard at lower levels like single judge etc. Before rejected the said application. For example in Moti Gupta Vs Surinder Kumar Aggarwal the application was rejected. As per the application by the plaintiff's counsel was designed in such a way that Dubai was not a reciprocating County at the filing on such application. As per the Hon'ble Supreme Court has also ruled that 44A which ruled that applications filed before 17Jan 2020 on which date Dubai courts became reciprocating country.

In the appeal before the Hon'ble High Court did not considered instead it was considered before Hon'ble Judge High Court as the Plaintiff appealing for the as it was present in the court on 31.07.2018 while plaintiffs were never present on that day. Even the mediation wise it was told that mediation was not Successful.

Yours truly,
